INSTRUCTIONS TO BIDDERS

IOWA SALES TAX:

The AHSTW Community School District is a tax exempt public educational organization, exempted by the Iowa Code.

PRICING:

The Vendors responding to the RFP for AHSTW Community School District must submit pricing for a single item category. Each item category bid should be listed separately.

AWARD:

The Board of Education reserves the right to reject any or all proposals or to accept proposals, either whole or in part, to award contracts by individual items or by lump sum total, or to waive any irregularities or defects in any proposal, should it deem to be in the best interest of the school district to do so. Any proposal submitted will be binding for forty-five (45) days beyond the BID OPENING.

QUALIFICATIONS OF BIDDERS:

The district may make such investigations as it deems necessary to determine the ability of the bidder to perform the work, and the bidder shall furnish to the district all such information and data for this purpose as the district may request. The district reserves the right to reject any proposal if the evidence submitted by, or investigation of, such bidder fails to satisfy the district that such bidder is properly qualified to carry out the obligations of the contract and to complete the work contemplated therein. Conditional proposals will not be accepted.

NEGOTIATION OF PROPOSAL TERMS:

The District reserves the right to negotiate the pricing, terms or conditions with any contractor with respect to their submitted proposal.

AHSTW Community School District requires vendors who submit bids to include a Manufacturer Self Maintainer program giving the District the option to directly manage warranty service at no extra cost.

- The Self Maintainer program must be a no cost solution allowing the District to leverage its IT infrastructure and capabilities.
- The Self Maintainer program must include online systems for warranty repairs, dedicated support, discounts on non-warranty part purchases and labor reimbursements for qualified repairs.
- The Self Maintainer program must include access to the vendor's dedicated Self Maintainer support teams, technical resources, training and resource guides.
- The District is willing to assign and train personnel to comply with the vendor's requirements to be a Self Maintainer.

1.3 Conditions of Agreement

Upon selection as the vendor for an item, the bidder agrees in “good faith” to deliver the promised item and not substitute comparable items without written agreement from the district. Failure to deliver promised items within 15 days of the due date will result in cancellation of the contract.

1.4 Evaluation / Selection Process

A number of factors will influence the School District’s decision in selecting the vendor. These factors include the vendor’s ability to deliver these products and services in a timely manner. Please note that the School District will select the vendor(s) based upon the best overall solution and value, and is not obligated to select the lowest price bidder.

Product quality includes but is not limited to: durability, performance, integration, serviceability and adherence to industry standards. Finally, the hardware and/or software solution must be upgradeable to provide increased performance and features as to industry standards as they become available.

The award of the contract, if made, will be made in the best interests of the District. The resulting contract will consist of this document, the response to this document, written letters and agreements modifying or changing the same, and any final contract agreements, memorandums, and written classifications. The District may reject any or all bids or parts of any bids and in its sole discretion may waive irregularities in any bid. "The award of a contract in the best interests of the District" means that the District is not required to award the contract to the lowest cost bidder, even if the bidder is financially responsible, but may award the contract to a bidder with a better service as determined by the District or who is more suitable to the District's intended purpose and whose bid is determined to be in the best interests of the District. Long range implications as well as short range implications will be considered by the District in making its decision.

1.5 Proposal Requirements

Any hardware and software must be of the latest release and carry a manufacturer's warranty. A known end of life and of end of service date must be disclosed if known.

Proposal shall include the following:

- 1) Company profile: Including name, phone/email address of contact, year company established, estimation of annual revenues (size), location of company headquarters, location of local/regional office, history as a vendor to the District (if applicable), and URL
- 2) List of the items with a “yes” or “no” next to each representing whether the bid includes each item
- 3) Proposal(s) for which items would be included at what pricing. Bidders may submit up to ten permutations (“packages”) for different items. Each package should clearly note the price and which items are included for that pricing

- 4) Please list the procurement methods available to your company for sourcing these products and whether your company physically stocks this product.

1.6 Declaration

The vendor, in compliance with this Request for Proposal, has examined the specifications and related documents and is familiar with the local conditions surrounding this project. Therefore, the vendor hereby proposes to provide these products in accordance with this Request for Proposal and any contract documents within the time frames set forth herein and at prices stated below. The vendor hereby agrees to commence work on this project on or before a date to be specified in a written “Notice to Proceed” by the district and to fully complete the installation and proper required testing within the agreed upon number of consecutive calendar days thereafter.

1.7 Assurances

The following must be signed, and must be submitted as part of the submitted bid. The vendor agrees to the bid requirements as stated in the bid specifications for all equipment bid and / or installed at AHSTW Community School District.
